

Carlson Explorer Accessories

Enhance your productivity with these custom accessories

Environmental Case Black & Clear Vinyl

Keep your Carlson Explorer safe and protected with this soft carrying case featuring a clear front and an adjustable removable strap. The clear front allows for the operation of the Explorer without removing it.

#6100.005

Carlson Explorer Carrying Bag

The carrying bag is padded and made of extremely durable 600 denier fabric that resists sunlight, mildew, abrasion and moisture, and comes with a loop for attaching to a belt.

#6100.003

Vehicle Charger

The unit allows for charging of the Carlson Explorer, and the ability to transfer data to a computer at the same time via the DE9 to DE9 cable.

#6100.002

Carlson Data-Max Pole Bracket

The Data-Max is constructed of lightweight, high-strength composite materials that yield a very strong and stable platform and do not interfere with Bluetooth communications like metal data collector mounts. The bracket allows adjustable positioning for viewing angle and left or right hand usage.

#6100.004

Carlson[®]
